SS	WE	EA	MR	EQ	ID
Credit 6					

Rapidly Renewable Materials

Diamante products can be specified to meet this credit requirement. If specified as such, Diamante products contain the following amounts (by weight) of rapidly renewable material:

- Percent Wood: End Tables (20” H) - 43%
  Coffee Tables (15” H) - 42%
  Consoles (29” H) - 56%

SS	WE	EA	MR	EQ	ID
Credit 7					

Certified Wood

Diamante products can be specified to meet this credit requirement. If specified as such, Diamante products contain the following amounts (by weight) of FSC-certified content:

- Percent Wood: End Tables (20” H) - 99%
  Coffee Tables (15” H) - 99%
  Consoles (29” H) - 99%
- Percent Certified Wood: End Tables (20” H) - 99%
  Coffee Tables (15” H) - 99%
  Consoles (29” H) - 99%

All Nucraft Products

SS	WE	EA	MR	EQ	ID
Credit 2.1					

Construction Waste Management – Divert 50% from landfill

Returnable and recyclable packaging – Nucraft products can be ordered with blanket wrapping that can reduce packaging usage. Nucraft packing materials include corrugated cardboard, honeycomb, and expanded polystyrene foam. These materials are recyclable in many markets, minimizing landfill disposal.

SS	WE	EA	MR	EQ	ID
Credit 2.2					

Construction Waste Management – Divert 75% from landfill

Returnable and recyclable packaging – Nucraft products can be ordered with blanket wrapping that can reduce packaging usage. Nucraft packing materials include corrugated cardboard, honeycomb, and expanded polystyrene foam. These materials are recyclable in many markets, minimizing landfill disposal.
