FINE LINE SEATING SERIES

FINE LINE SEATING SERIES

Barbara Barry has created an extensive collection of seating and occasional tables reflecting her signature style – simplicity of line and purity of form – combined with HBF's quality construction. Distinctive architectural features with a refined sense of modern elegance provide luxurious aesthetics for today's interiors. Fine Line lounge seating possesses a light and airy profile gently turning into a generous seat perfectly balanced on a metal sled base.

01

Clean lines and crisp upholstery are anchored upon a brushed stainless steel base. Fine Line lounge chairs are the perfect single seating unit, grouped together in lounge scenarios or used as an accent piece with other seating products.

"I love working in a modern vernacular, paring down forms to their essential nature while maintaining the warmth and feel of fine furniture"…Barbara Barry.

Fine Line lounge chairs, available with and without arms, portray sleek sophistication with practical values attuned to contemporary interiors. Chairs are upholstered in a 100% wool fabric from HBF Textiles.
