Grommet

Options

- leather writing insert
- worktool rails
- electrification and wire management options
- nickel or maple hardware option
- monitor arm clamps

Wire Management / Electrification Option

The cord manager includes a multi-outlet strip with surge protector.

Work Tool Rails

Worktool rails support the Quin vertical binder shelf, paper trays, and personal shelf, all crafted of solid black cherry and powder-coated steel.

Monitor Arm

An easy-to-adjust monitor arm clamps to the desktop.

Leather Insert

An optional leather top insert is available on all desk shapes.

Hardware

Maple knobs are an optional alternative to nickel.
