seating made simple

brawny

Brawny is a tough, lightweight, virtually indestructible multi-purpose chair. Constructed for durable 24/7 use and rated to 350lbs., it can be used individually or ganged. Brawny stacks up to 15 high, making it an ideal seating solution for meeting rooms, auditoriums and educational environments. It comes in black thermoplastic with an optional upholstered seat and back. Options include arm or armless, tablet arms, bottom or back book rack, dolly and ganging device.
