WWW.FIRSTOFFICE.COM

veneer

- Veneers on all exposed surfaces are bookmatched Walnut, Maple and Cherry

worksurfaces

- Worksurfaces are 1.5" thick and profiled on approach and user sides
- Secondary worksurfaces are profiled on user side only
- Durable, scratch-resistant matte finish on all units
- Optional high pressure laminate tops available

pedestals

- Full pedestals with full modesty panels are standard

wire management

- Wire management is standard in returns, bridge units, credenzas, corner units and hutch units

drawers

- Drawer sides and back are .4375" thick unidirectional plywood, and are assembled using box joint construction
- Drawer bottoms are .25" thick
- Interiors are sanded and finished

file drawers

- File drawers have full extension with overtravel, and progressive action slides with steel ball bearing suspensions
- They accommodate letter or legal filing

locking

- Pedestal locks secure all drawers with the turn of a single key
- All units are shipped keyed alike
- Removable lock cores allow for rekeying at a later date

finish

- First Office uses a patented Euroluxe™ urethane clearcoat finish that preserves the depth and clarity of First Office products, but allows for much greater performance
- Offered in 15 veneer finishes and 5 wood grain laminates

edge

One edge option:

- Scope

pulls

Fingergrip drawer pull is standard, or choose from two pulls in black or satin nickel:

- Half Round • Bridge
