We are here to make your endeavor easy

Our dedicated personnel will assist you from start to finish with:

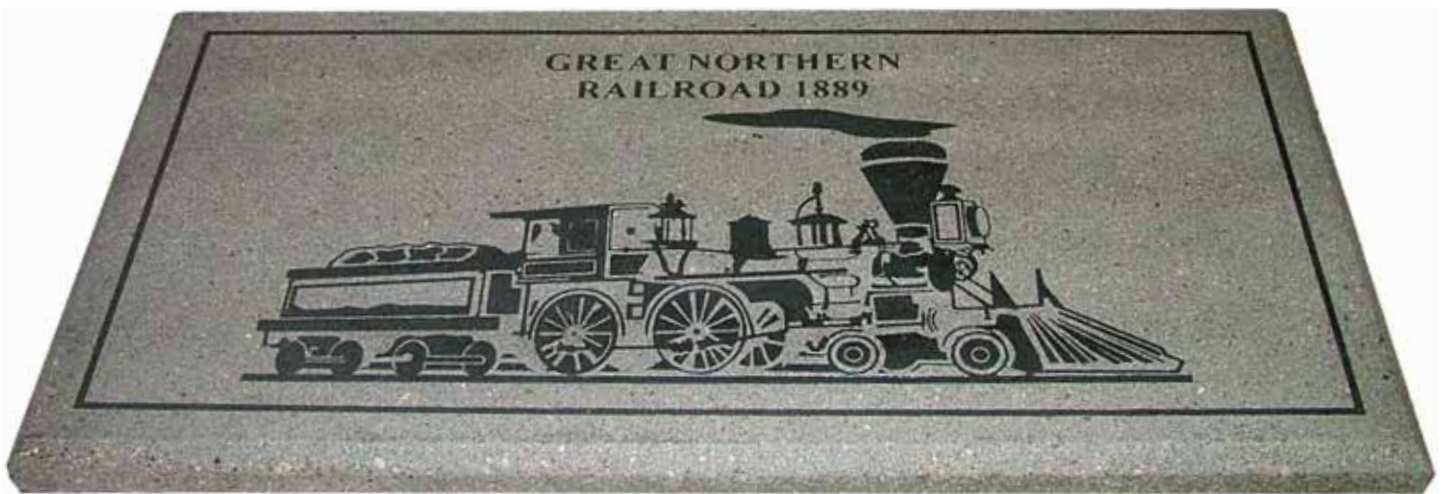

- Fundraising program sample start-up information
- Expertise in design layout and product selection
- Product and installation specifications
- Large variety of color options for products and inscriptions

Our experience will be your success

- Quality products from a company with over 54 years of experience.
- Products we offer for your project include:
 - terrazzo tile
 - concrete pavers & bricks
 - precast concrete site furnishings
 - your custom designed products
- Complete quality control, because we manufacture and engrave all at the same facility.

From photo to engraved plaque.

Finished Train Plaque on Precast Concrete
Lake Minnetonka, MN

About our Cover: Designed for the main entrance to the Alice Campbell Alumni Center at the University of Illinois Urbana-Champaign. The patio consists of two pavers 12" and 24" square, using a combination of blank and engraved pavers to add contrast.
