# Product Overview

## Introduction

The architectural focal point of most homes is the entry door. Your entry door is a powerful source of first impressions, and a means to personalize your home with your own signature style.

At Pacific Architectural Millwork, we can create any custom entry door system that you can design, from the simple to the sublime, thanks to decades of expertise crafting a wide variety of styles and sizes. Our entry doors are prominently featured in luxury resorts, hotels, and businesses throughout the country. We invest the

same attention to detail and commitment to quality in every entry door we create, because we believe that your door is an important investment that will provide you with security, value, and beauty for years to come.

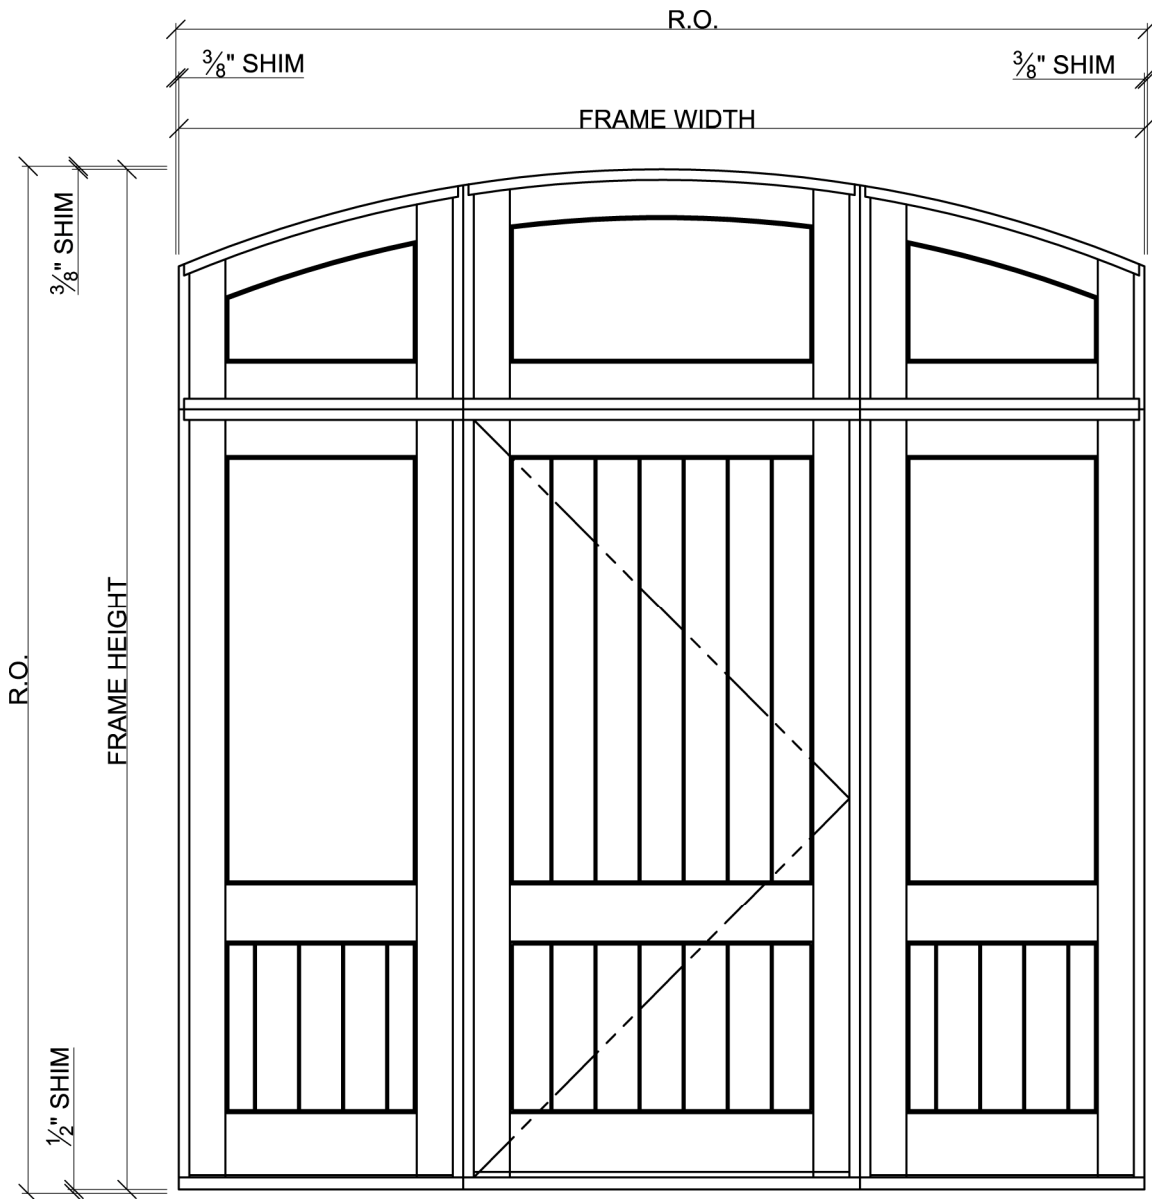

Our extensive entry door system manufacturing capabilities include:

- A broad spectrum of architectural styles, such as Mediterranean, Spanish/Old-World, contemporary, whimsical, and traditional
- Standard or exotic wood species
- Sidelights/transoms
- Historical renovation/recreation
- Decorative glazing, including leaded glass, wrought iron, and stained glass
- Custom woodcarving
- Raised panels, speakeasies, clavos
- Single/French/Dutch doors
- Complex/oversized applications

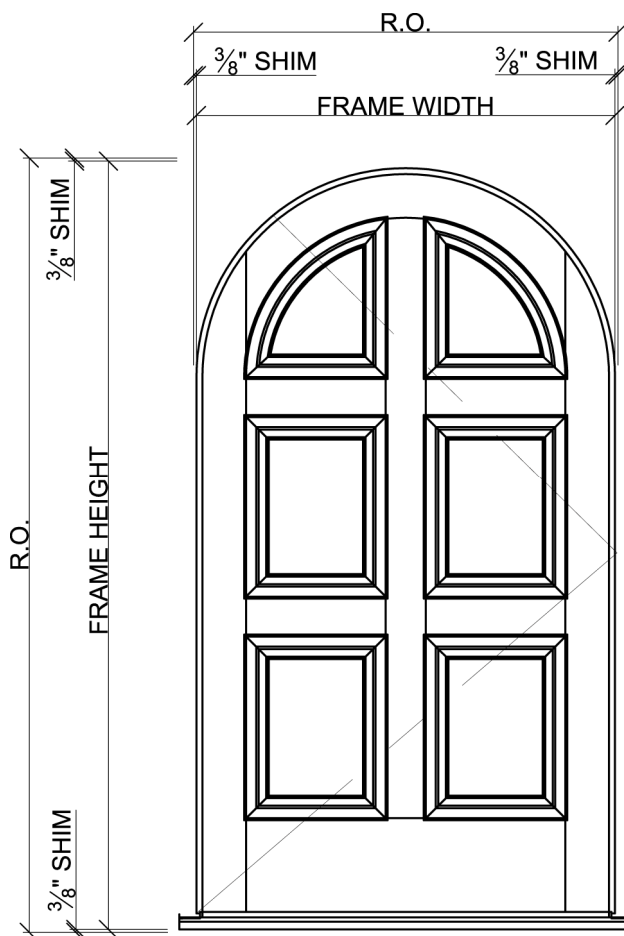

The following elevations represent a small sample of our entry door systems. Contact your Pacific Architectural Millwork representative to let us turn your concept into reality.
