Weibert Italian Faucets, brought to the U.S. exclusively by Elkay, are in compliance with the lead content requirements of California (AB1953) and Vermont (S152), which went into effect January 1, 2010. They are created by Italian designers such as Massimiliano Settimelli, Aldo Cibic, Salvatore Pischedda, Livio Solda, and Marco Spinelli. And now, you can put these exciting new designs into your next room creation!

Take the first step by filling out and FAXing back the form below to 800-501-3989.
