MARK OF EXCELLENCE

Legacy's fine craftsmanship and traditional design convey honesty, integrity and trust, hallmarks of business excellence. Bring this spirit to your offices with genuine book-matched cherry veneers in a rich, Rouge Mahogany finish. All surfaces, vertical and horizontal, are 100% full-fill finish with protective catalyzed lacquer topcoat and elegant sheen. Deskpads or glass with standoffs are recommended for further protection. Extra open pedestal in connecting corners of single pedestal desks and credenzas features one grommet in the inside panel for CPU storage applications. Common grain direction across desks, bridges, returns and credenzas presents a uniform appearance. Triple-step, shaped hardwood edges and five-ply, cross-grain veneer construction signify an elevated level of craftsmanship and attention to detail.
