BOLERO DOWN

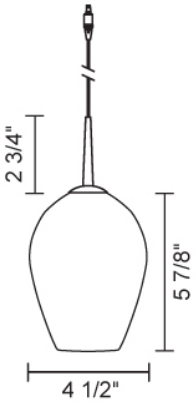

Description:

The Bolero Down Pendant is a free-blown glass that receives its shape directly out of the furnace. This Artisan process, executed by only Master Glass Blowers, guarantees each piece is one of a kind.

The Uni-Plug design of the Bolero Down allows the pendant to be mounted on any of Bruck?s track systems or ceiling canopies through the use of an appropriate adapter(not included). Standard cable length is 59? can be field cut or specified when ordering. Bolero Down may be specified with a 4? kiss mono-point canopy by adding /MP to the part number or /MP2 for the 2? version.
