Icon

“Icon is the Lamp that you come to think of when you can’t think of any more lamps. Just like my first rough sketch it is both tactile and brutal - a flat, two dimensional triangle added to a cable. An everyday memory”, Matti Klenell.

Cleaning Instructions

When cleaning the flocked surface of the Icon, Moooi recommends using a directional/revolving clothes brush, a sticky lint roller or similar. The white reflector can be wiped with a dry cloth or duster. Please ensure the lamp is not connected to the mains electricity supply whilst cleaning is in progress. If further assistance is required please contact your nearest Moooi agent.
