Cleaning Instructions

To clean the Soft clock Moooki recommends first using a dry cloth to remove day-to-day dust particles. If there are visible finger prints (especially with the gold and silver versions) on the surface, use a gentle diluted glass cleaning fluid. Moooki recommends always reading the label of any cleaning product you wish to use on or near any item from the Moooki collection. For more information on how to clean this product please contact your nearest Moooki agent or dealer which can be located via our website.
