Depending on the model ordered, your chair may incorporate any of the following features.

## Cleaning and Caring for Your Chair

- **Fabrics** — clean with water-based or solvent-based fabric cleaners. Contact Kimball Office dealer for fabric cleaning code.
- **Leather or Vinyl** — clean with mild soap and water solution on cheesecloth; rinse with water-only soft cloth and dry.
- **Finishes** — clean with damp cloth. For heavy soil, use commercial no-wax liquid polish for wood and wipe with clean, dry cloth.
- **Pneumatic Mechanisms** — should be activated twice a week to ensure proper function of pneumatic height adjustment.
