

THE FAIRMONT SERIES

H B F

HBF introduces the Fairmont Series of casegood products. While based on classic, traditional detailing, Fairmont offers an array of flexible components to solve current office needs. The series is designed and engineered to address the reality of today's furniture budgets yet offer the quality veneers, beautiful finishes and attention to detail that is expected from HBF.

The Fairmont Series

01 Fairmont offers paper management towers in satin silver or black powder coat finishes. The fluted Gaston pull is standard in the satin nickel finish.

02 | Fairmont desk extensions are offered in a wide variety of top forms and sizes. Credenzas include removable access panels and recessed pedestals to allow full width wall access behind the credenza.

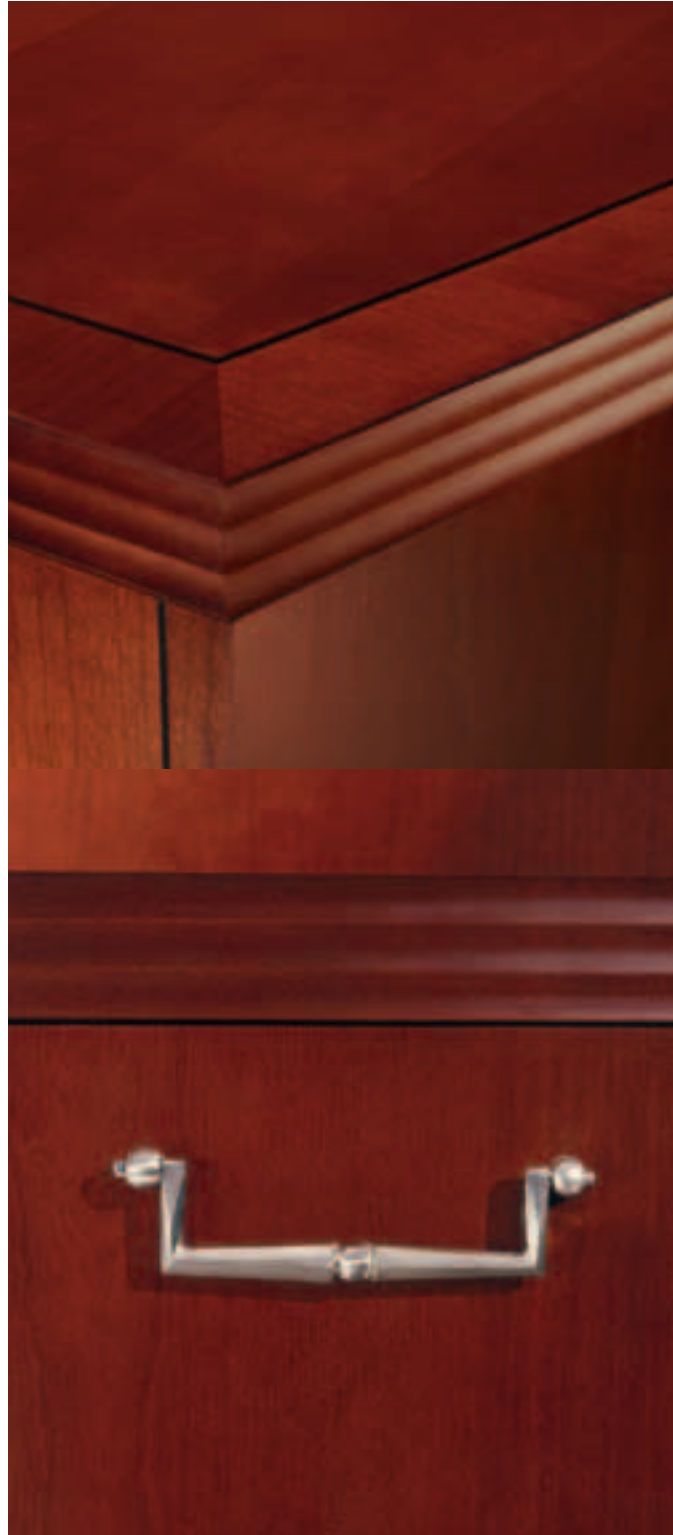

03 | Overhead storage units are available in single and double heights. Open storage is featured in many components to create a multitude of work wall designs.

04 | The Fairmont table desk is a simple yet elegant form. Crown molding is optional on all overhead, credenza tower and vertical storage units.

05 Fairmont desks can be specified in a hand-laid, quartered cherry veneer top to enhance the traditional references of the series. Maple veneers are also an option.

06 The Johnston pull is offered in satin nickel and polished brass finishes.

07 For added detailing, Fairmont's fluted edge detail wraps around all four sides of the desk top. Bow front desks may be constructed in an array of sizes.

08 Fairmont reception desks, with rectangular or bow front transaction tops, are standard in a variety of sizes and configurations.

09 Fairmont credenzas may be specified in six inch width increments and with virtually any pedestal configuration.
