

CELINE TR-TR35
LEUCOS INDUSTRIAL DESIGN TEAM

DESCRIPTION: A simple drum-shaped, satin white diffuser highlights the Celine design offering. Two sizes are available with incandescent light sources to provide diffused illumination. All stem and base details are in brushed nickel. Companion pendant, table, and wall sconces are available.

CONSTRUCTION: Flat round bases and cleaned-lined stems in brushed nickel support the blown glass diffuser. On/Off switches are located on a black cord on all models. Dimmers are optional.

LIGHT SOURCE: TR: 1 x 100 watt, incandescent, A-19, medium base (provided)
TR35: 1 x 100 watt, incandescent, A-19, medium base (provided)
1 x 150 watt, incandescent, BT15 white (not provided)

GLASS COLOR: Satin White

NET WEIGHT: TR: 29 lbs. / TR 35: 49 lbs.
