

LOOP ceiling

Design R. Toso -N.Massari & Associates

- DESCRIPTION:** Artfully abstract ceiling design that provides diffused illumination from a tiered blown glass diffuser that is offset and enclosed. Companion suspension and wall sconces are also available.
- CONSTRUCTION:** A white metal frame secures the glass diffuser to a standard 4" junction box. Incandescent or Fluorescent light sources provide diffused illumination.
- LIGHT SOURCE:** 1 x 100 Watt A19, Incandescent (Provided)
2 x 18 Watt PL, Fluorescent (Not Provided)
- FINISH:** Gloss White Enamel
- GLASS COLOR:** Gloss White
- NET WEIGHT:** 12 lbs.
