

MOAI
DEFNE KOZ

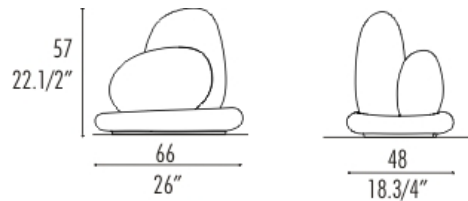

White with Brown Base

White with Black Base

White with White Base

DESCRIPTION:

For use as a table or floor design it is composed of two large, white satin, hand-blown glass diffusers (one smaller than the other). Moai's base is made from compact glossy resin, available in white, black, or mocha. The unique and elegant look is the result of a refined design that combines aesthetics with high-quality lighting features. Moai makes use of double dimmer switching.
