IT'S ABOUT GOOD DESIGN

>>> FEEL GOOD. WORK SMART...

1 COMFORT IN ANY ENVIRONMENT

Translucent ABLEX™ patterned weave mesh back provides generous lumbar support while allowing dynamic back movement. Air flows freely through this breathable mesh for added comfort in any environment.

2 ENVIRONMENTALLY FRIENDLY

Fabrics are made from recycled material. All plastic and metal parts on the LXO are recyclable. LXO is 80% recyclable.

3 MORE LEG ROOM

Back depth adjustment allowing for greater seating depth for those requiring more leg support.

4 ADJUSTABLE ARMRESTS

Easy to use, height adjustable arms with intuitive finger-tip trigger for individual comfort and support. The arms can be manually adjusted for horizontal width.

5 A HEALTHY SEAT

The energy absorbing ENERSORB™ seat foam encourages correct posture. Contoured seat foam incorporates a waterfall design that gently slopes away from the legs, minimizing pressure on the thighs, promoting good posture and reducing sitting fatigue.

6 BASE

5 prong heavy duty nylon base.
2" mag wheel carpet casters.

7 SMOOTH ERGONOMIC RIDE

Synchronous knee-tilt mechanism with infinite position tilt-lock, pneumatic height adjustment, and tension control.

8 FULL RANGE OF MOTION

The LXO chair is the perfect high performance ergonomically adjustable contract grade task chair in its price class. Design Patented.
