

Mass
together.

When the group is left standing,
taking a load off doesn't put the
pressure on. Seat any number in
comfort and style – from the seminar
stadium to the lunchroom – with a
chair that stacks up in your favor.

Mass is scalability at work.

tayco.
work well.™

The Mass stacking chair series offers an economical and approachable solution to short-term, broadscale seating needs. Made from a flexible, one-piece polypropylene shell, Mass chairs are easy to put out and put away and easy to maintain.

Mass Applications
