# Palladium™

Palladium's luxurious appearance and exceptional craftsmanship provides ideal seating for managers and customer support personnel. It's distinctive back and seat contours provide superior comfort. Synchro-tilters feature a proportional seat and back tilt with a 2 to 1 ratio and infinite tilt lock. Swivel stools have a 10" height adjustment with back height and angle adjustment. The 8300 series features saddle stitching in both the seat and back. Front cover model shown in Frank, Tan from the Valencia Collection.

The following arm styles are available for selected models:

- N1 - Armless (available in the swivel stool and synchro-tilter)
- 3F - Height adjustable urethane fingertip (available in swivel stool only)
- T2 - Height adjustable urethane "T" arm with black cap (synchro-tilter only)
- T6 - Height and width adjustable urethane "T" arm with black cap (available in synchro-tilter only)

Base finishes available:
