The LANetwork Series

The LANetwork Series is designed to be modular to permit multiple configurations in support of your computer room Local Area Network (LAN) racking requirements.

Choose from six workstation modules and a variety of accessories to organize your server needs.

Single wire chrome keyboard holders

Double wire chrome keyboard holders

22" wide retractable keyboard

27" wide retractable keyboard with mouse pad

Optional pull-out CPU shelf on casters allows easy access for connection of monitor and keyboard cables to CPU

Each LAN rack has:

- two 18" deep shelves that adjust in 1" increments (shelves are 3/4" thick)
- one 30" deep worksurface to accommodate all paperwork (shelf is 1" thick)
- one 20" deep bottom shelf to accommodate CPU towers (shelf is 1" thick)
- all shelves and worksurfaces are grey thermally fused laminate surfaces with protective 3mm T-molding with 1" radiused corners
- 74"-high dual key-slotted vertical frames (16 gauge) allow you to adjust, in one inch increments, all shelves independently to accommodate various size computer monitors
- vertical frame is painted in black epoxy for maximum protection
