Modular linking and freestanding table system

# ConnecTABLES™

Components

All ConnecTABLES tops have steel inserts at each corner to accommodate ganging hardware.

ConnecTABLES tops are available in a variety of colours.

**PVC edge -**  
Protects both the table edge and the surrounding environment.

**Steel to steel fastening -**  
Durable steel-to-steel fastening ensures a secure connection for both linking and freestanding positions.

**Thumbscrews - CNTS**  
Optional, easy-to-use thumbscrews allow installation without tools.

**Ganging Hardware - CNGFP**  
Thumbscrews provide easy ganging for two or three way connections. Swings away when not in use.

# ConnectTABLES™

... an affordable and highly flexible system of modular tables

ConnectTABLES provides solutions for a myriad of day-to-day work environments.

Designed as easy-to-use linking or freestanding tables.

## Open Conference

Many ConnectTABLES tops can be assembled to be freestanding. When combined with locking casters and the new flip top "T" leg, the result is easy storage and complete portability.

Modesty Panel, Wire Management Channel or Modesty Panels with Wire Management Channel are three optional packages available. Shipped complete with connecting hardware. Optional black wire grommets can be ordered 'factory installed'.

## Bringing people together... seminars, training, conferencing and team cluster work groups

## Meeting Rooms

ConnectTABLES modular units will provide quick and affordable answers for all sizes and shapes of rooms and applications.

## Educational and Training Rooms

ConnectTABLES table tops configure easily into temporary or permanent educational applications.

## Seminar

Featured here are our new 36" table tops with double "T" leg, complete with optional modesty panels.
