SPIRIT™

6170

High Back Tilter. Shown in Silhouette fabric (SL22) Indigo

Spirit seating features a hammock style padded back that is suspended over a steel frame. The hammock changes shape to conform to the individual users body configuration – evenly supporting the entire torso. This translates into exceptional comfort for every user. The shape of the frame combined with the hammock concept provides gentle extra support in the lumbar area making this an ideal choice for those looking for an exceptional combination of support and comfort.
