SUPRA™

Supra supports the user in comfortable, contemporary style.

value, beauty
& performance

ALL IN ONE EXCEPTIONAL CHAIR

5331-2 - Medium Back Knee-Tilter

5330-2 - High Back Knee-Tilter

Supra features

Protective Outer Back: Beautifully etched outer back shell is made from impact resistant polypropylene for additional durability.

Soft Durable Arm: The broad sculptured armcap is soft to the touch but made from durable self-skinned urethane.

Tilter: Chair offers tilt tension adjustment and tilts from a pivot point under the center of the seat allowing you to rock comfortably. Chair can be locked in the upright keyboarding position.

Knee-Tilter: Chairs tilt from a pivot point at the front of the seat, this keeps your feet on the floor as you rock and reduces pressure behind the knees; thereby enhancing blood flow. Tilt tension is adjustable for body weight and infinite position tilt lock is standard.
