

# Vulcan™

Functional, user-friendly and affordable

# Modern

# Durable

# Vulcan™

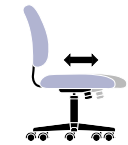

High design combines with function to make this series an outstanding value. Vulcans exceptional, solid and durable construction ensures many years of reliable performance. Two back heights and three mechanisms allow you to choose the chair that's right for you and your pocket.

**Multi-Tilter**  
This mechanism provides back height adjustment, independent, infinite position back and seat angle adjustment with tilt-lock control. Forward seat tilt-lock and pneumatic seat height adjustment.

**Tilter**  
This mechanism provides tilt-tension control, upright position tilt-lock, seat depth adjustment (enables the back to move in and out, providing additional seat depth) and pneumatic seat height adjustment.

**Task**  
The seat depth adjustment enables the backrest to move in and out, providing additional seat depth. Features pneumatic seat height adjustment.

## Features

**Back height adjustment** – available on select models.

**Reinforced back** – back shell is made from fiber-glass reinforced nylon for exceptional durability.

**Height adjustable arms** – height adjustable "T" arms with soft touch self-skinned urethane concave oval armcaps.
