

The Arabella Chair is handmade using recycled teak and was exclusively designed by **ADENWORKS LTD.** . The chair comes in two styles. The standard is made of 100% recycled teakwood which can be used indoors or out while the custom chair includes a leather seat and cowhide backing. The outdoor images of the upholstered Arabella Chair are for display only. These chairs are not designed to withstand the elements but are great for adding flair and rustic elegance to an outdoor party.

Dimensions 18"w x 20"d x 40"h
