

# Fronté Storefront System

A smartly designed, award-winning movable floor to ceiling storefront system with a distinct, contemporary look for any design-sensitive interior application.

- Measuring just 2¼" thick
- Industry-leading 72" wide elegant glazed façade
- Ease of reconfiguration - unitized assembly, easily relocated as required
- Small kit of parts
- Integrates beautifully with traditional construction or with other Inscape wall systems
- Environmentally superior - qualifies for LEED points
- Accelerated cost depreciation versus traditional construction
- Variety of paint finishes and glass options
- Array of door options including framed or frameless glass sliders, hinged and pivoted
