Devon™ Table

Devon tables are hand built from figured hardwood veneers and solids, giving each piece a unique character. The subtle tones, natural grains and patterns of the hardwood solids and figured veneers mean that no two tables are exactly the same.

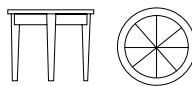

These lamp, club, console, coffee, and end tables come in a wide variety of heights, shapes and finishes. With all these options, you'll be able to put a Devon table anywhere and match it with anything. The warmth and appeal of wood is timeless, and with the classic lines and elegant simplicity of the Devon collection, these tables are here to stay.
