## Orlo® Table

Orlo tables have all of the beautiful and enduring qualities of a timeless piece of art. This contemporary line of occasional tables gives the traditional wood table a new lease on life.

Offering styles from lamp and coffee tables to console tables, the Orlo line is the inspired design solution you've been searching for. For the finishing touch, Orlo tables have a figured hardwood veneer top with a choice of 10 wood finishes.

With its clean styling and innovative architectural details, the Orlo table is the perfect choice for any interior.

Designed with detail, the Orlo table offers elliptical sculpted hardwood legs, which support turned aluminum elliptical capitals, artfully separating the Orlo table's leg from its top.

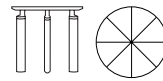

For those who want even more eye-catching detail, a beautifully turned aluminum jewel is an available option.
