PATINA METALS

Sizes Available

Nominal Size	Actual Size	Metric (cm)
4" x 4"	3 3/4" x 3 3/4"	10 x 10
6" x 6"	5 3/4" x 5 3/4"	15 x 15

Recommended Usage

Patina Metals products are recommended for use on interior walls in both residential and commercial applications.

Product Performance

Freeze-Thaw Resistance	No visual defects	ASTM C1026
Moisture Expansion	0.05	ASTM C370
Thermal Shock Resistance	No visual defects	ASTM C484

Care and Maintenance

Regular cleaning is the best way to keep your Patina Metals tile looking new for years to come. All spills should be cleaned as quickly as possible. A soft cloth and warm water should be sufficient for most situations. If more aggressive cleaning is required, use a neutral cleaner with hot water, rinse thoroughly with clean water, and dry with a soft cloth.
