

Installation Instructions

Elkay

Antique Hammered Copper Sinks

CAREFULLY READ THESE INSTRUCTIONS BEFORE YOU BEGIN

- Elkay recommends that Antique Hammered Copper sinks be installed by a professional experienced installer.
- **WARNING:** Since each sink is hand crafted and unique, a cutout template is not provided. Elkay recommends using the actual sink for the countertop cutout. It is recommended that you discuss with your customer the desired finished appearance of the sink and countertop installation. Elkay is not responsible for improper sink and/or countertop installations.
- Elkay undermount sinks should only be fastened to a solid surface countertop (i.e. granite/Corian®/Silestone®, etc.)
- **WARNING:** Handle sink with care during the installation. **DO NOT** drop sink on bowl(s) or push down on sink when the sink is resting on a flat surface during installation. Doing so may alter the pitch of the sink bottom and inhibit proper drainage. Elkay is not responsible for sink or countertop if damaged during installation.
- Metal edges may be sharp – use caution when handling.
- Follow all local plumbing and building codes.
- Inspect sink for damage prior to beginning installation.
- If installing in granite countertop, make sure that the sink is covered and protected from any cleaners that the installer may use to clean the granite, as the cleaners/chemicals can damage the finish of the sink.

APRON SINK INSTALLATION REQUIREMENTS

- A custom sink base cabinet is required.
 - Proper installation requires a coordinated effort including advanced dialog between the designer (or customer), the cabinet maker, the countertop fabricator and the sink installer during the design and installation phase.
 - Elkay recommends providing the cabinet maker with the actual sink to be installed prior to cabinet fabrication.

USE AND CARE GUIDE

Finish Note

Each original, hand crafted, antique hammered copper sink is unique in texture, color and has a “living” finish with a natural and desired patina, that will continue to develop over time and use. Acidic foods such as juices and ketchup can remove the patina if left on the sink. However since the patina is a living finish it will recover over time.

Scratches

Like many metallic surfaces, your copper sink will scratch. These are merely usage scratches and over time will blend into the overall finish of your sink.

Care and Cleaning Instructions

- After each use, rinse the sink and dry it thoroughly with a soft cloth or towel. Hard water spots and mineral deposits can be difficult to remove and may result in damage to the patina. Residue left in the sink or on the surface will also cause it to tarnish more quickly.
- To clean your sink, use a non-abrasive, non-detergent soap with a soft cloth. Remember to rinse thoroughly with clean water, and dry it. Never use abrasives, metal (copper) cleaners, scouring pads, lime or rust removal, alkaline-based, ammonia-based or acidic-based chemicals or cleaning products. Elkay does not warranty the finish of the copper sinks.

ANTIQUE HAMMERED COPPER SINK WARRANTY

Elkay warrants to the original purchaser of an Elkay antique hammered copper sink that Elkay will, at its option, replace or repair, without charge, such product if it fails due to a manufacturing defect for a lifetime of normal residential use. Product replacement does not include transportation cost or labor installation cost. This warranty covers antique hammered copper undermount sinks installed in a conventional solid surface countertop and applies to residential installations only. Elkay reserves the right to examine product in question and its installation prior to replacement.

WASTE FITTINGS AND ACCESSORIES ARE NOT WARRANTED

OTHER WARRANTY CONDITIONS ON SINKS

This warranty applies to sinks purchased after May 1st 2007 as shown on the purchaser's dated receipt. Our warranty does not cover product failure or damage caused by abusive treatment, misuse, environmental factors, normal wear including dents and scratches, improper care and cleaning, use of aggressive and abrasive cleaners, damage due to handling or failure to follow the recommended procedures for installation, care and maintenance as detailed in the installation and care guide provided with every sink. This warranty is extended only to the original consumer purchaser of the product. This warranty does not cover shipping costs, labor costs, or any other charges for such items as installation or replacement of the sink, diagnosis or replacement of any faucet or component part, or any other expense or loss.

All incidental or consequential damages are specifically excluded. No additional warranties, express or implied are given, including but not limited to, any implied warranty of merchantability or fitness for a particular purpose.

Some states do not allow the exclusion or limitation of incidental or consequential damages or limitations on how long an implied warranty lasts, so the above limitations or exclusions may not apply to you.

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

TO OBTAIN SERVICE UNDER WARRANTY

1. Write to: Elkay Manufacturing Company
Attention: Consumer Services
2222 Camden Court
Oak Brook, IL 60523
2. Include a letter containing the following information:
 - a. Date of purchase and installation
 - b. Proof of Purchase (copy of original dated invoice)
 - c. Description of nature of defect
 - d. Model number or description of model and/or component part if possible.
