

TOCADOR DRESSING TABLE #1016

This vanity juxtaposes a cast-iron treadle sewing machine base — a symbol of work that once filled the “sweatshops” of New York — with a plush and polished cabinet that epitomizes luxury and leisure. Cabinet interior in reconstituted macassar ebony with custom print felt drawer liners. Low voltage interior lighting on jam activated switch. Detailed with custom milled brass hardware.

Shown in 26" W X 13" D X 62" H in light green lacquer.
