2-7/8" x 2-7/8" x 1/4" Mosaics Decorative Inserts are designed for use with Crossville® Cross-Colors Mosaics and Milestone Mosaics. (Grout lines will align differently when used with Questech products.)

### LIGHTWEIGHT

Questech Metals are 20% of the weight of solid metal.

### DURABLE

Questech Metals feature a protective clearcoat to ensure a durable, virtually maintenance-free finish. With proper care, Questech Metals will retain their rich appearance for years.

### AFFORDABLE

Questech Metals are priced competitively with a wide variety of other decorative finishes.

### MADE FROM PREMIUM METALS

Designed for interior use, Questech Metals are manufactured using a patented blend of premium metals. Each tile is cast in a mold made from an original hand-carved design, then individually polished. Finally, the tiles are coated in a protective clearcoat for enhanced durability.

### QUESTECH METALS ARE IDEAL AS...

- Accent molding • Countertop edging • Showers/wet walls
- Ceiling trim • Fireplace surrounds • Walls
- Chair rails • Kitchen backsplashes • Window and door borders

### FINISHES OFFERED

Questech Metals are available in two finishes – Polished (001) and Bright Satin (003). The finish is noted next to each product throughout this catalog.

### LIFETIME QUALITY WARRANTY

Questech Metals installed in a residential setting are warranted against manufacturing defects for as long as you own your home. (See Crossville's Terms and Conditions of Sale for complete details.)
