

## Gabbianelli

Egeo

The gentle waves of a sea that holds the memories of epic adventures, captured in the surface of this 40x40 cm floor tile collection from Gabbianelli. Available in 7 colour versions, Egeo brings the appeal of the sea into the home. And just as the sea is always the same and yet never identical, the tiles in the Egeo collection are hand decorated one by one in the Gabbianelli workshop.
