

Casalgrande Padana

Marmogres

The Marmogres series is produced using a new technology developed by Casalgrande Padana that uses special micronised spray-dried powders mixed at the time of pressing. Produced in 10 fully coordinating colours, 30x30 cm, 30x60 cm and 60x60 cm sizes along with submultiples obtained by cutting, and honed and polished surfaces. Pictured: Calacatta Grigio 60x60 cm polished.
