Pristo® II T Treatment

The Pristo II Trendelenburg offers the same updated design as the Pristo II Treatment Chair, but now with trendelenburg. The variety of options and improved functionality make this chair the perfect choice for a wide variety of treatment settings. Designed around patient comfort, the Pristo II Trendelenburg offers an independently operated back and foot rest, the trendelenburg feature and outstanding comfort. Pristo II T will make any treatment setting more comfortable for patients and caregivers.
