

PlayPods™

VALUABLE FEATURES

- Educational and entertaining in a compact space
- Walls and end wings define a children's area and helps contain play
- Sturdy 1" thick melamine walls and feet that can be bolted to floor for added stability
- Easy to clean and sanitize
- Appropriate for ages 1-6, units with RoGo™ ball appropriate for ages 3-13
- Two year warranty

Customize your own PlayPod™

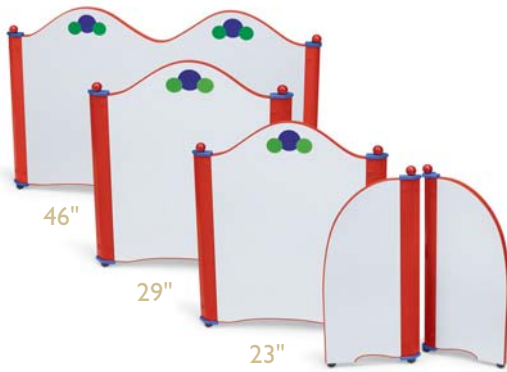

You be the play coordinator. Four easy steps is all it takes:

1. Choose your walls from three different sizes. Note: a window can be added to any wall size.
2. Add a wing kit.
3. Pick either maple or speckletone finish.
4. Outfit the walls with our Wall Activities.

Even expand your existing PlayPod™. It's easy and fun. Need some suggestions? Just call us and we'll help you create a PlayPod™ to match your needs.
