

IRONHAUS

Handcrafted Fireplace Systems

The Selway

Direct Vent Gas Fireplace

Shown in
Original Craftsman Style

Our most popular gas fireplace, **THE SELWAY** Direct Vent, sets itself apart from the traditional direct vent fireplace. The old world touch of a blacksmith on an **IRONHAUS** custom enclosure comes fully integrated to the unit, creating a one of a kind finished fireplace application. **SELWAY** handcrafted faces come in a choice of 9 styles. These features alone make the **THE SELWAY** stand out from the crowd.

- *Custom Handcrafted Face*
- *Millivolt Ignition*
- *Mature Fire Presentation up to 77% Efficiency*
- *Comes in 36" or 42"; Natural Gas or LP*
- *Optional Remote & Fan*
- *Style Coordinates With All IRONHAUS Products*

The Selway - Features

Face can be set aside until construction is complete!

Millivolt ignition for thermostat / remote option

Optional fan

Mature fire presentation

Choose from 9 different styles & match styles to other IRONHAUS fireplaces in your home!

How to Order:

- 1) Determine natural gas or LP and design door style
- 2) Choose finish.
- 3) Verify install and venting requirements with your dealer or builder.
- 4) Place order with dealer or online at www.ironhaus.com.
