

Swarf Coffee Table

Re-purposed Industrial Scrap Table

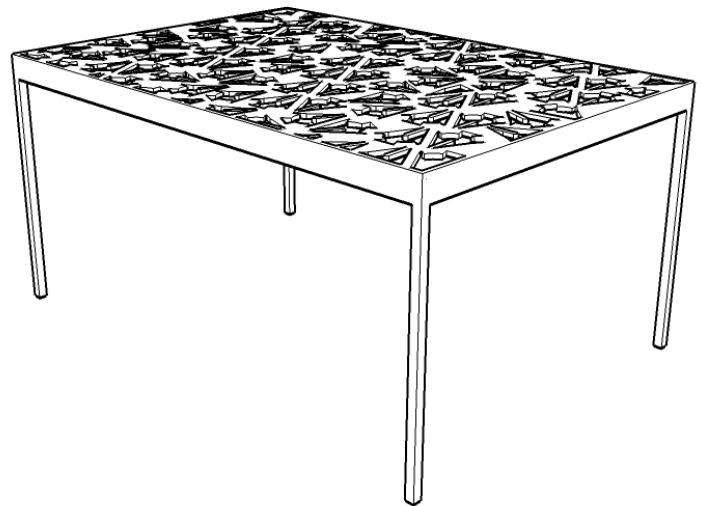

The Swarf Table is truly green furniture. Made from salvaged, laser cut, steel sheet drops. These are re-purposed for the beautiful and interesting patterns created accidentally from the industrial process. Each table is unique and sizes will vary.

Swarf are shavings and chippings of metal—the debris or waste resulting from metalworking operations.

Features

- Open, industrial patterned top
- “Green” Furniture
- All steel construction
- One-of-a-kind by nature (patterns will vary depending on availability)
- D.I.Y. Finish (let it rust, paint it yourself, whatever)
