

# AUBURN COLLECTION

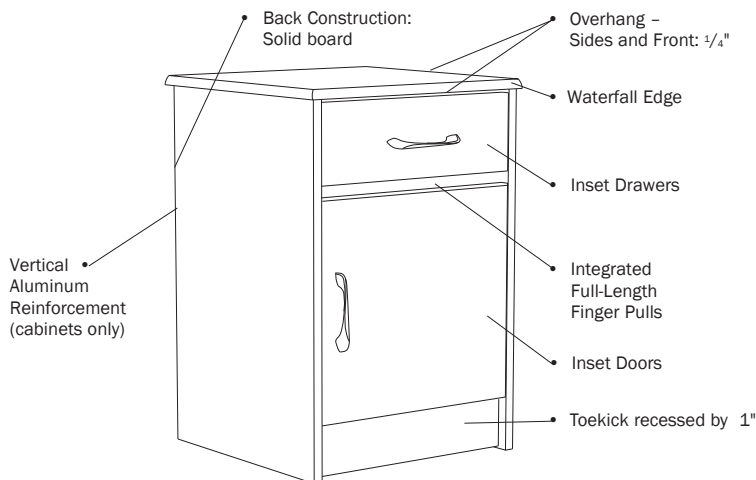

The Auburn line of acute care furniture demonstrates the flawless blend of form and function. The gently rounded corners and waterfall edging ensures the safety of your patients. The high-impact resistant polymer finish promises a hard-wearing, scuff-resistant surface that can be repaired within seconds – no messy sanding and refinishing. The Auburn collection is fire-retardant, as we share your concerns with patient safety. These products do not release VOC's, preserving the internal air quality of your

facility. They carry a 10-year warranty on the construction and finish, making them ideal for healthcare environments.

### Available Options (See pp. 262–264)

- Dozens of hardware styles, including soft pulls
- Many wood-grained colors
- Contrasting edging options

• Premium hardware shown

Kwalu's full Environmental Statement, Technology Information and Available Options are available on our web site or contact us toll free at 1-877-695-9258.
