

BEAUFORT COLLECTION

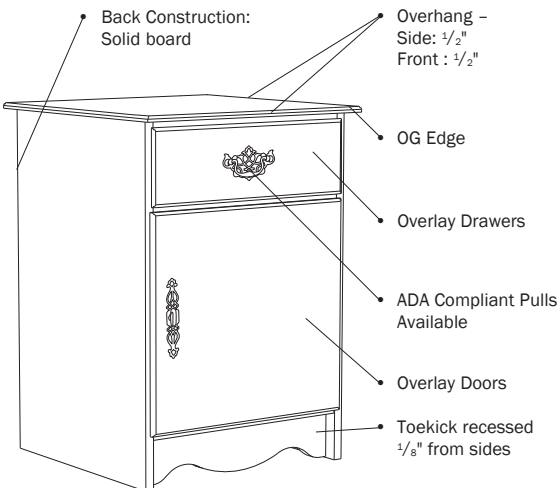

The Beaufort collection epitomizes the styling of our traditional times. The rich detailing of OG edging contributes to a sense of refinement your residents will appreciate. The ability to customize dimensions, styling and colors is something you'll appreciate. The Beaufort collection is fire-retardant, as we share your concerns with residents' safety. These products do not release VOC's, preserving the internal air quality of your facility. These low-maintenance products carry a 10-year warranty on the construction and finish, guaranteeing that their gracious proportions and lustrous

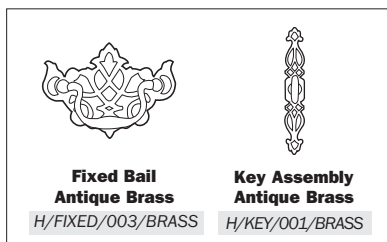

appearance will be appreciated day in, day out.
