WAINSCOT PANELING

- 10-year warranty on construction and finish
- Wood grained, high impact resistant finish that is repairable in seconds
- Waterproof base shoe
- Class 'A' fire rated system
- Anti-bacterial surface withstands harsh cleaning regimens
- Easy to install, pre-finished systems
- Create your own style with our mix and match options or use our custom design service
- Covers existing wall imperfections
- Preserves internal air quality – no VOCs from varnishes or lacquers
- Can be installed over some curved surfaces

Wainscot Paneling

Kwalu wainscot paneling offers the luxurious appearance of wood-paneled interiors, with none of the drawbacks. Our products are not susceptible to the sustained damage that occurs in most commercial and institutional environments. Kwalu wainscot paneling is readily repaired and is backed by a **10-year warranty** on **construction** and **finish**.
