dining and activity room collections

Regal Collection • 5 Series

Design your own masterpiece by combining any of the mix and match elements of the traditional Regal collection to meet the needs of your facility. Choose from several arms, legs, underframes, back shapes and upholstery styles. Unleash your creativity!

Imperial Collection • 6 Series

In keeping with the traditional styling of the Regal collection, the Imperial collection offers all the same mix and match features on a slightly grander scale (overall height 1 1/2 inches taller).

Piazza Collection • 56 Series

Combining dining seating function with contemporary styling, the new Piazza collection allows you full freedom in your design by using the "Customize your own Style" palate for which Kwalu is renowned.

Traditional dining room chairs like Kwalu's Regal Collection are stylish and durable, scuff- and scratch-resistant and look like new year after year.

Toni Collection • 9 Series Several features of the traditional Toni collection may be interchanged to create unique combinations limited only by your imagination.

Rattan Collection DNG Series

Ideally suited to informal dining areas, the transitional Rattan chairs are available as side or arm chairs with various spindle and upholstery styles.

Healthcare Collection • HC Series

Designed with healthcare needs in mind, these transitional informal dining/activity chairs are well suited for large cafeterias as well as quaint bistros.

Café Culture Collection BIS Series

These casual bistro chairs form the perfect backdrop to lively conversations. Choose from vertical or horizontal back slats, a looped back or a more delicately fanned spindle back to complement your décor in public seating areas.

**Prestige Collection
90 Series** This transitional range of dining chairs offers several stylish back designs and a unique opportunity to customize with contrasting color back splats and inserts. Using two frame colors can compliment your décor.

Murano Collection • 2 Series
This collection of our most stylish traditional and transitional chairs compliment the refinement of up-scale lobbies and private rooms.

**Lofty Collection
HST Series**

This magnificent collection of sturdy, yet stylish, high stools

will add class to any bar, and work well with matching tub or café chairs in the accompanying dining areas. Several styles offer customizing opportunities like contrasting slats and spindles.

Proximity Collection • PTDNG Series

Compact and space-saving, this stylish range of café chairs is designed to provide comfortable seating in even the closest quarters, like food courts and crowded cafeterias.

Designers love the Murano collection with its exquisite detail and beautiful curves. Facilities are amazed by the rugged strength made possible by the patented steel-reinforced joint system used in all Kwalu chairs.

What better way to furnish your large dining rooms than with designer chairs that also stack out of the way when necessary. Built-in hand grips are an added bonus in the Symphony collection.

**Sorrento Collection
2D Series** Fashioned after the Murano Collection, the Sorrento collection was specifically designed for formal dining.

Symphony • 3 Series

Kwalu's Symphony collection sets the right tone in any establishment. This stylish range of transitional arm chairs offers several design choices by using Kwalu's mix and match components feature.
