Always begin with the Starter Stone and lay outward to Radius 2, 3, 4, 5 and 6.

Fan width is approximately 5'5"

The Appian® Fan brings a series of gentle arches to the project. Hanover's system fits together tightly to ensure a quality, long lasting installation. Several colors blends are stocked for immediate delivery. Manufactured in a 2 3/8" thickness, the Appian® Fan is suitable for both pedestrian walkways and residential driveways.
