

Capitol Park Collection Specs

VENEERS:

- Capitol Park features A-1 select bookmatched veneers for all exposed panels in Cherry or Walnut species. Interior panels are A grade veneer of same species as exterior.

WORKSURFACES:

- Tops feature a 3-ply balanced construction 1-5/16" thick top with flat-sliced bookmatched veneers in A select Cherry or Walnut.

CHASSIS CONSTRUCTION:

- Ultimate chassis stability through European dowel construction.
- Construction reinforced through brackets, screws and wood cleats.
- Levelers provide adjustable compensation for unlevel floors and are installed in anti-tear out materials.

EDGE:

- 1-5/16" Thick profile shape top is standard on worksurfaces, vertical towers, bookcases and overheads.
- Cope shapes standard for flush hookup worksurface.
- Optional 2-1/2" Cornice top available.

DRAWERS (LIFETIME WARRANTY):

- Drawer fronts are vertical grain bookmatched veneer.
- Drawers pass BIFMA 50,000 cycle test and have lifetime warranty.
- File drawer bottoms are glue block reinforced for heavy weight storage capacity and offer legal letter filing.
- Desk drawers feature dividers and utility tray.
- Drawer suspensions operate on steel ball bearing, zinc finish slides.
- Drawers have 100% extension for full drawer access.
- Pedestal locking is standard.

BASE:

- Bases are constructed of solid hardwood lumber 2-1/2" x 1-5/8".

PULL OPTIONS:

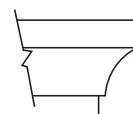

- Choice of three standard pull designs in three finishes.
- Optional pulls available upon request.

FINISH:

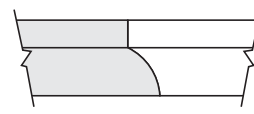

DAR•RAN now uses ENVI-UT, an environmental urethane top coat on all DAR•RAN Caseloads.

- Sprayed on 100% of DAR•RAN's caseloads (DB & OP) using the most advanced Plural Component Spray Technology.
- Exceptional hardness and clarity.
- Highly resistant to solvents and chemicals.
- Excellent UV inhibitors for maximum color resistance.
- Field Repairable.
- Standard with BAC•GUARD SILVER™ Anti-microbial additive – the latest in silver ion technology.
- Dynamic chamber emissions tested and certified compliant to ANSI/BIFMA X 7.1 Standard / LEED 4.5 Standard for low – VOC emitting Furniture.
- Finish features 10 step / 2 color process. (Contact Customer Service for sample)
