Hand brazed weld metal top.

Ritzi metal frame is completely fabricated of 12 gauge steel with all pieces welded together forming a one piece steel frame. Tapered legs, steel tops and steel shelves have a perforated design. Available in 24 colors.

- Laminate tops: are 3/4" thick, top and sides are laminated. Laminate tops are attached. ERG offers over 1000 standard laminate choices from Nevamar, Wilsonart, Formica and Pionite.
- Glass tops: are 1/2" clear glass with bevelled edges resting within the metal corners.
