KIO

Available in 5 versions from high back to draft chair to secretary chair, KIO encapsulates versatility for all users.

KIO

Artistic Simplicity

Basic yet functional. Simplistic yet stylishly adaptable. KIO has all the fundamental features of a multi-purpose work chair. Mobile, compact and comfortable, it is ergonomically designed to support greater productivity and collaboration in offices. The wide variety of chairs in the KIO range makes it suited for home or private office settings and various types of tasks from operational to intensive. A work chair that does so much more than merely seat you, KIO excels with the desire to deliver the best.

Premium quality upholstery and fine stitching
workmanship define the high standards of Benithem®
thanks to advanced technology and skills.

Contoured & round backrest provides adequate cushioned support. Its base features new reinforced plastic shell designed from an original mould, creating a look of stylish precision with unique authenticity.

Point synchronized technology using Asian single locking mechanism provides perfect balance in every seated position. The synchronized adjustment of the backrest and seat in the ratio of 2:1 ensures complete comfort.

Armrests are customizable with T-arm or V-arm design for visual aesthetics. Polypropylene (PP) armrests are durable and reliable for long-term use.

Flat 5-pedestal nylon chair base with castors enable user to glide and swivel in any direction.

Chrome capping on the base of backrest adds an overall sense of prestige.
