Leg Finish:  
Maple  
• Clear lacquer  
• Red Mahogany stain  
*Custom finishes available*

Aluminum  
• Clear  
• Mercedes Gunmetal  
• Nightshade

## ARCONAS

### Curio

#### Design

The illusion of a sphere is created in the Curio by the round face and horizontal arch of the arms rolling into the back. The vertical line of the back curves from the top through the bottom line of the chair in a whimsical fashion rounding out the design. The bold face of the seat lends substance to the piece.

#### Construction

Tubular steel structure molded into CFC-free, fire retardant, cold cured High Resiliency Urethane.
