

PLUS LOUNGE FURNITURE CHAIRS

TUB CHAIRS

TUB CHAIR - SPT921

FEATURES

- The soft curves and distinct lines provide a unique, simple and contemporary look for any office, library, or waiting area.
- Tub chairs include four 2" dia. twin wheel casters for mobility. Cushions are contoured to fit the curve of the body and are designed for firmness, support and comfort.
- Foam cushioning is designed and engineered from polyurethane laminated panels and adhered to the base which is constructed using plywood sections for a strong and supportive frame. Elastomeric nylon sheet webbing is stretched across the seat portion of the frame for flexible support.
- Available in several Bretford fabrics (grades 1 to 3). Customers fabric is accepted pending testing for suitability.
- Plus seating is certified to meet California Code 117. Some Bretford fabrics have been certified to meet the CAL133 burn test.
- Plus sofas incorporate ProBax®, a patented seating technology from NuBax™ LLC seating company. ProBax® improves the postural position of the spine and drastically increases user comfort and overall health and safety.
