

BRETFORD BASICS™

UNIVERSAL LARGE FLAT PANEL MONITOR CART

FPPC72 Features a universal mounting arm that is adjustable to fit most large flat panel monitors from 42" to 61".

FPPC72V200 Features an adjustable mounting bracket for most smaller flat panel monitors from 30" to 52" diagonal.

Rear doors open for easy access

FPPC72 with FPPSP42 Auxiliary Speaker Bar

FEATURES

- Provides the basic platform for a large flat panel monitor and 19" rack mount system. Add on accessories such as speaker bar and keyboard shelves meet your individual needs for presentations and displays. Provides 16 unit rack mounting space.
- FPPC72 monitor mounting arms are geared to be width and height adjustable to fit the mounting hole pattern on most 42" to 61" diagonal flat panel monitors up to 170 lbs. Mounting hole pattern must be 400 mm wide by 200 mm high or greater. Monitor may be easily rotated with the touch of a finger from landscape to portrait format.
- FPPC72V200 features adjustable mounting arms for most smaller flat panel monitors 30" to 52" diagonal up to 170 lbs. and with a mounting hole pattern no larger than 700mm wide by 400mm high. Monitor mounts in landscape format only.
- Rack mount equipment in the cabinet is kept cool with a convection venting design that draws cool air up through the bottom and expels warm air out the top.
- Cabinet is available in any standard Bretford finish combination at no additional charge and features a laminate or veneer top shelf, steel cabinet with key locking front and rear access doors, and 19" rack mount rails.
- Sturdy aluminum pole is 72"H and features adjustment holes, spaced 1" apart, and span the entire length for height adjustment of the monitor and to allow the addition of accessory shelving and speaker bars. Mounting assembly features a 0°-15° forward tilt adjustment.
- Vertical pole features cord management channels in the front and back and adjustable cord management clips to feed power and data cables into the lower cabinet and keep things neat.
- Base model includes the universal monitor assembly, 72" pole, and lower cabinet with 19" rack mount rails. Accessories includes equipment shelves, keyboard shelves, and speaker bars which to mount to the pole and are adjustable in 1" increments.
- FPPC72 series carts feature an extruded aluminum pole which has an average of 90% post-consumer recycled content and steel cabinet with 25%-35% post-consumer recycled content. FPPC72 has a cast aluminum mount with an average of 30% post-consumer recycled content and FPP72V200 has a steel mount with 25%-35% post-consumer recycled content. All aluminum and steel components are recyclable at the end of the product life cycle. FPPC72 series carts with laminate top shelf comply with the GREENGUARD Environmental Institute's GREENGUARD Indoor Air Quality standards contributing to points toward Leadership in Energy and Environmental Design (LEED) Certification.

MODEL NUMBER

FPPC72 - Flat Panel Cart Base Model, Laminate Top Shelf

FPPC72V200 - Flat Panel Cart Base Model, Laminate Top Shelf

COLOR/FINISH

Available in any standard Bretford paint, laminate or veneer finish at no additional charge by adding the appropriate codes.

For example, Aluminum paint (AL), Wrought Iron laminate (469):

FPPC72 - **AL** - **469**
Model No. Paint Laminate or Veneer

FPPC72 MOUNTING ARM ADJUSTABLE DIMS

Width = 310mm (12.2") - 825mm (32.48")

Height = 176mm (6.93") - 683mm (26.89")

FPPC72V200 MOUNTING ARM ADJUSTABLE DIMS

Width = 100mm (3.94") - 700mm (27.56")

Height = 100mm (3.94") - 400mm (15.75")

FPPC72 SERIES CARTON & UPC CODES

FPPC72:

#1 - Cabinet Base - xx"l x xx"w x xx"h, Custom, No UPC Code

#2 - FPCMPOLE72 - 77"l x 4"w x 4"h, 0 96633 26710 8

#3 - FPCUV72MNT1 - 31-1/2"l x 9"w x 7-1/2"h, 0 96633 27004 0

FPPC72V200:

#1 - Cabinet Base - xx"l x xx"w x xx"h, Custom, No UPC Code

#2 - FPCMPOLE72 - 77"l x 4"w x 4"h, 0 96633 26710 8

DIMENSIONS

Overall: 42"w x 78"h x 34"d

Interior Cabinet Overall: 26"w x 26"d x 26"h

CPU Tower Space Next To 19" Rack Rails: 7"w x 26"d

19" Rack Rail Length: 28"l, 16 Unit Space (2" above cabinet face)

ACCESSORIES

FPPSHX-469 - Large Accessory Shelf, Dark Gray - 0 96633 26921 1

FPPC72V200 MADE IN THE USA

Model FPPC72V200 is made at Bretford's Chicago area manufacturing facility using union labor. Aluminum extrusions are produced for Bretford from a Chicago area manufacturing facility.

ENVIRONMENTAL SPECIFICATIONS

The FPPC72 series carts are constructed with an extruded aluminum pole which has an average of 90% post-consumer recycled content and an aluminum cast mount with an average of 30% post-consumer recycled content. Model FPPC72V200 has a steel mount with 25% to 35% post-consumer recycled content. All aluminum and steel components are recyclable at the end of the product life cycle. The FPPC72 series flat panel carts with laminate top shelf are certified to GREEN-GUARD Indoor Air Quality standards.

FPPC72 MOUNT SPECIFICATIONS

The FPPC72 has an adjustable mounting arm assembly, constructed from cast aluminum and is 176mm to 683mm height and 310mm to 825mm width adjustable to fit the mounting holes of most large flat panels, 42" to 61" diagonal, max 170 lbs. The monitor should be mounted so that the top of the monitor does not extend above the top of the pole. A courtesy hardware kit is included to attach the monitor to the mounting assembly, however, additional hardware may need to be purchased at your local hardware store. The monitor and accessories attach to the vertical pole using a mounting spike which clips into place and secures using two 3/16" hex head screws.

FPPC72V200 MOUNT SPECIFICATIONS

The FPPC72V200 has adjustable mounting arms and is 100mm to 400mm high and 100mm to 700mm width adjustable to fit the mounting holes on most smaller flat panel monitors, 30" to 52" diagonal, max 170 lbs. The monitor should be mounted so that the top of the monitor does not extend above the top of the pole. A courtesy hardware kit is included to attach the monitor to the mounting assembly, however, additional hardware may need to be purchased at your local hardware store. The monitor and accessories attach to the vertical pole using a mounting spike which clips into place and secures using two 3/16" hex head screws.

ADDITIONAL SPECIFICATIONS

The FPPC72 and FPPC72V200 have a vertical pole that is 72"l and constructed from extruded aluminum with multiple mounting holes spaces, 1" apart, the entire length of the pole. The vertical pole slides over a mounting post, attaches to a plate at the base of the cabinet and is secured with two 1/4" screws at the post and one 1/2" hex head center bolt at the base. The cabinet is constructed with a 20-gauge steel base, 18-gauge steel side panels and doors, and either a laminate or veneer top. FPPC72V200 only comes with a laminate top. Front and rear doors secure with keyed alike locks, four keys included. The interior includes 19" rack mount rails that mount to the right side of the cabinet. A convection design that allows warm air to escape from the top while drawing cool air up through the base to cool electronic equipment. Four 4" twin wheel casters, all locking, and two handles allow transport from one location to another.
